(Please send original to the examinations office!)

The internship assessment from the company/institution in question and the student's own internship report have been presented to me and meet the requirements stipulated by the university regulations governing internships.	
Internship supervisor / Internship co-ordinator	
	Date / Signature

Internship confirmation:

The students of the HTW have to complete a practical semester in accordance with the university regulations governing internships (in the valid version) alongside the guidelines laid down in the course regulations relevant to the student's course of study.
The signature of the course internship co-ordinator confirms the HTW's recognition of the successfully completed internship.
