

GMAR Robotics Summer School 2023

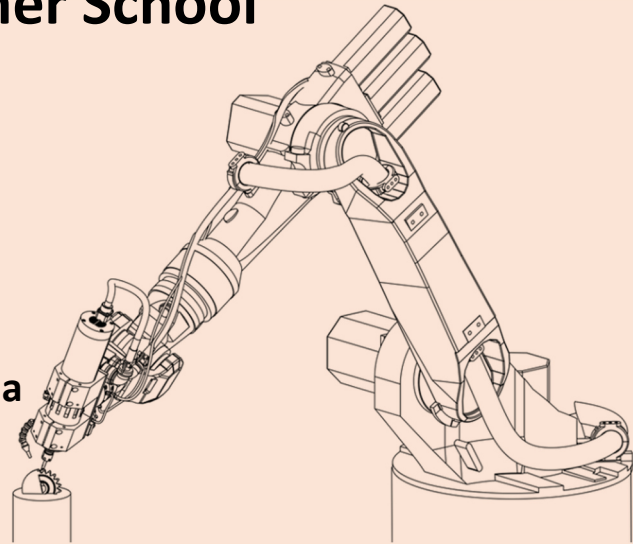

Topic: Servicerobotics

**UAS Technikum Wien
Hochstaedtplatz 6, 1200 Vienna, Austria**

September 4-8, 2023

The 2023 GMAR Robotics Summer School will be held at UAS Technikum Wien in Vienna from 4th to 8th of September 2023. This year's topic is "Servicerobotics". The goal of the course is to provide students with insight into new technologies, trends and applications in Servicerobotics, as well as hands-on lab experience and offline simulation skills. Furthermore, it offers students the opportunity to analyze industrial and mobile robots from market leaders in a real-world setup and work hands-on with them in small international teams.
