

Summer School: Swiss African Business Case Challenge

***5-day business case simulation in Lucerne
with students from Europe and Africa.***

Gain valuable intercultural experience (great for your CV) while working in a small group of European and African students on a business case dealing with sustainability energy development in Africa (22.06 - 26.06.2026). Great opportunity to apply management, negotiation, and leadership qualities in a realistic case.

Spots very limited!
